What Is The Ai 100K Launch Pad?

It's called the **Ai 100K Launch Pad** because it's generated over \$100,000 in commissions for me every month for 7 years.

It's a new system that clones the same business model that I've followed since I started internet marketing: creating, selling, and launching my own digital products.

Until recently, creating products was a time-consuming and labor-intensive process. However, the introduction of Artificial Intelligence (AI) & ChatGPT has revolutionized the game, making the process easier, faster, and more profitable with the help of smart AI automations.

OpenAI

With this system, you'll get all the tools, resources and AI automations required to create your first highly profitable digital product within minutes.

The best part is that you don't need any previous experience, technical skills, or budget to start.

The Easiest, Done-For-You Way To

Create Profitable Digital Assets With AI

- ✗ **You don't** need to hire copywriters or designers
- ✗ **You don't** need to do any advertising
- ✗ **You don't** need to worry about email marketing
- ✗ **You don't** do any selling yourself
- ✗ **You don't** have to search for content or images

This is copy and paste easy...

It's that easy to start building your digital empire with the help of artificial intelligence and ChatGPT.

How Does It Work?

I developed a complete system that creates digital products with a few clicks.

Once you grab your license, all you do is plug in your affiliate link, configure a few settings, and the system handles the rest for you.

Until recently, creating products was a time-consuming and labor-intensive process. However, the introduction of Artificial Intelligence (AI) & ChatGPT has revolutionized the game, making the process easier, faster, and more profitable with the help of smart AI automations.

With our software and system, you can create products for any niche, including make money online, health & fitness, dating, finance...

Literally anything!

Through the power of artificial intelligence, you now have the ability to create content for your product in seconds!

Simply entering in the URL into the system, insert content you've written yourself or choose articles from our content library, then hit "Generate," and you're done!

Alternatively you could just use one of the many "Done-For-You" products you'll find in the system that we've already created with AI that are ready for you to profit with!

I earn commissions and passive income from products I made years ago.

So far, my digital products have brought in over \$10 million since I created this system.

I can make a product after breakfast and get my first sales before I go to bed, it's that quick and easy!

Now It's Your Turn!

Within minutes you'll see the same success as the super affiliate gurus.

And... you don't need experience or marketing skills.

I'm making a passive, life-impacting income for my family and I without working hard.

Anyone can benefit from this system and quickly get the same results as me, and maybe even better thanks to artificial intelligence & ChatGPT...

And I'm giving it all for a ridiculously low price to show you that I am serious about helping people!

Why Am I Doing This?

Sure, I could have kept this proven gold mine to myself, but I want to help newbies and novice marketers kick start their online business.

One of the best salesmen in the world, Zig Ziglar, said, "You can have everything in life you want if you will just help other people get what they want."

I've always believed in that concept, and today is the day I put it into practice by offering you my digital product-creating system that does all the work for you!

On top of that, I'm adding my Traffic app for no additional cost today.

I don't hold anything back.

You'll get the same system that has brought me life-changing income...

All I ask from you is a tiny, one-time investment of... \$17

That's right.

For just \$17, you can...

Use The Same Proven System **That's Generated Over \$10 Million In Online Sales** Creating & Selling Profitable Digital Products With The Power Of Artificial Intelligence... **WITHOUT Experience, Technical Skills, Or Any Hard Work!**

From: Glynn Kosky, Super-Affiliate & Serial Entrepreneur
To: Anyone Struggling To Make Their First Commissions Online

Dear Superstar & Future Millionaire,

Hi. I'm Glynn Kosky, creator of the Ai 100K Launch Pad.

As a dedicated digital marketer, I love making products and being an affiliate marketer.

Once you have a license to my proven system, you can easily...

Be Your Own Boss, Work from Home & Call the Shots!

I have been an affiliate marketer for over 7 years, selling other

people's products.

However, it wasn't until I discovered digital product creation that my profits skyrocketed into 7-figures.

There is nothing like owning multiple digital assets and seeing sales come years later!

It's like owning an apartment building without being a landlord.

I just collect the money.

Sales Come In Whether I'm Asleep... Or On Vacation!

I've created multiple digital products that generate multiple six figures online.

But it took a lot of time and money to figure it out.

If you're anything like me, and you've spent thousands of dollars trying every "money-making method" the gurus try to sell you...

Then the Ai 100K Launch Pad is for you.

My business is now fully automated to the point where I barely have to "work."

I've got other people and systems doing most of the work for me.

Thanks To ChatGPT And AI, The Process Has Just Become A Lot Easier, Faster And More Profitable!

Everybody's Talking About A.I. & ChatGPT.

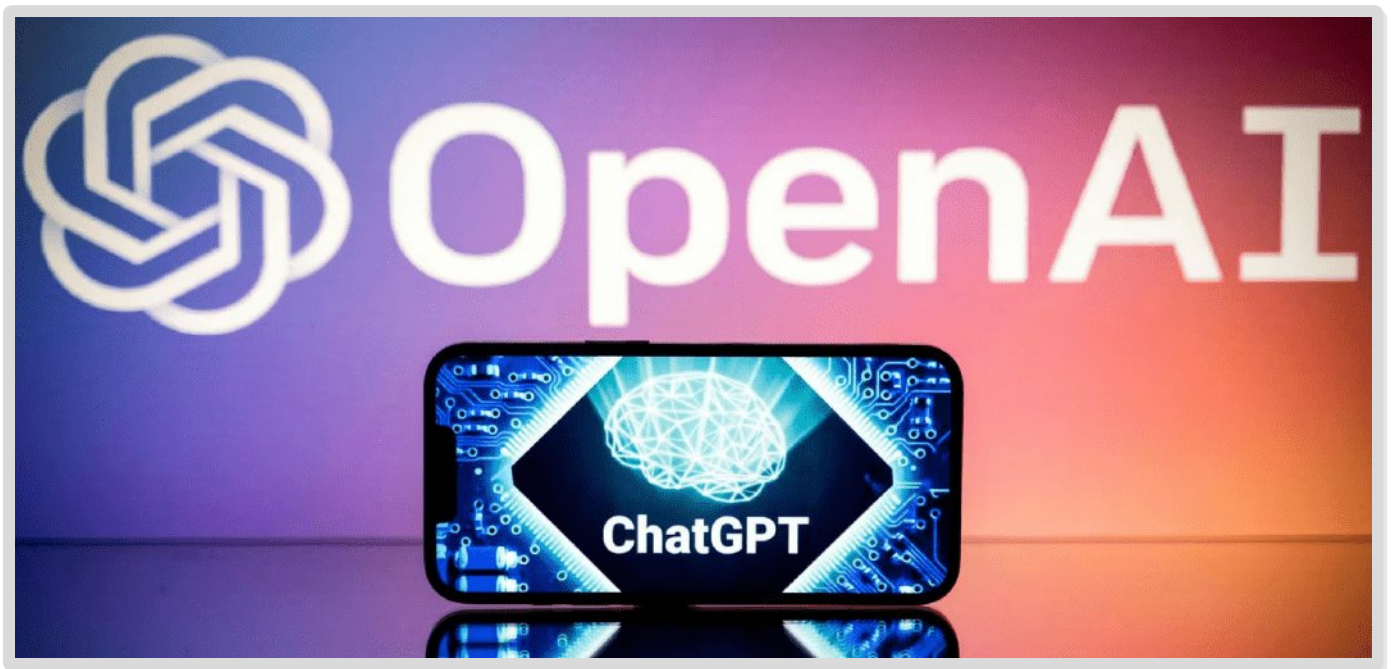

You've probably seen AI profile photos, AI generated images, AI chat bots and more...

And for the first time ever, you're going to find out how myself and my students are getting paid to create digital products with the power of AI!

With the advent of advanced AI technology like ChatGPT, we are now

able to create digital products that are not only faster and more efficient, but also of higher quality.

The use of AI in content creation allows us to streamline the production process and get better results in less time which means that we can create digital products that are both informative and engaging, appealing to a wider audience.

ChatGPT And AI Are Helping Us Make More Money!

Not only is ChatGPT and AI speeding up the creation process, but it also means that we can create digital products that are more accurate and up-to-date.

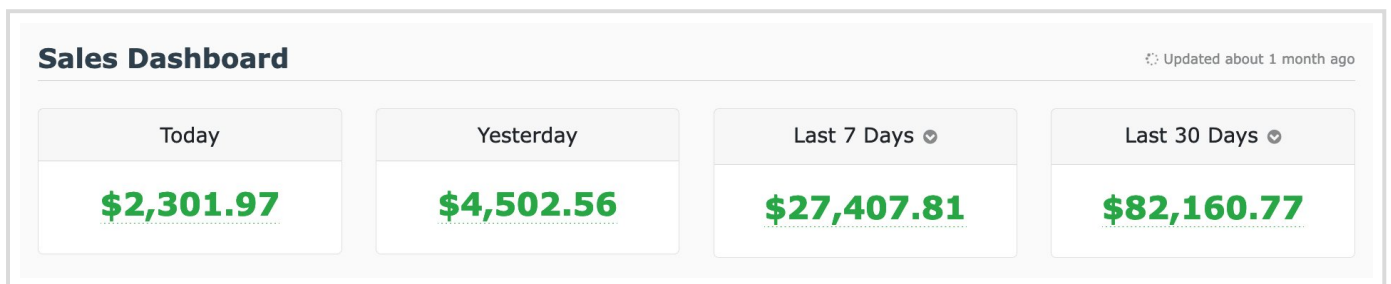

With AI, we can easily generate content that is relevant and accurate, making it easier for us to stay ahead of the competition.

This, in turn, allows us to create digital products that are more valuable

to our customers and ultimately, more profitable for us.

By using AI technology like ChatGPT, we are able to leverage the power of artificial intelligence to create digital products that are not only faster, better and more accurate, but also more profitable.

Our profits have sky rocketed since we started using the power of ChatGPT!

If You're Sick & Tired Of Promoting Affiliate Products That Barely Make You A Few Bucks...

Then listen up...

Becuase I was too, and that's what pushed me to start creating my own digital products.

Promoting other people's products can be great...

But your efforts rarely convert into commissions, meaning you waste

most of your traffic and barely make a dime.

You're not going to get rich promoting other people's products online...

It could take months, maybe even years, to make your first few hundred dollars online.

What you should be doing instead is...

Creating Your OWN Digital Products With An Automated "AI" System That Does It All The Work For You!

With the **Ai 100K Launch Pad**, we're routinely earning over \$100,000 per month creating, launching, and selling our own digital products.

Without needing to...

-  Have Any Marketing Knowledge
-  Build An Email List
-  Start Your Own YouTube Channel
-  Create A Shopify Store
-  Post On Social Media Daily
-  Get An Amazon FBA Account

 Trade Bitcoin & Cryptocurrency

 Send Spammy Emails

You don't have to do any of these things with the **100K Commission System**.

Once you secure your license, you'll discover a brand new system that we're using that generates highly profitable digital products in seconds.

Everything is 100% done for you...

It's all in place and waiting for you.

We will get into the specific products later because the system allows us to make money in various ways...

But it all starts with your first digital product, which you should have online within the next few minutes.

This System Is For Newbies & Experienced Marketers Looking To Take Their Income To The Next Level

The **Ai 100K Launch Pad** is a global automated business that never sleeps.

The commissions keep rolling into our accounts automatically, at all hours.

Product creators like myself regularly earn \$5,000, \$10,000, and

sometimes more in commissions per day.

Leveraging The Power Of Artificial Intelligence! (AI)

GLYNN KOSKY, FOUNDER

My name's Glynn and I've develop a system that makes profitable digital assets in minutes.

And now you have the same opportunity to tap into this highly profitable system that makes me \$1,000 and more daily, on autopilot, with digital products.

Now, I'm ready to license my system to a few people who see the value in having a steady stream of passive income from done-for-you digital products, building an email list of hungry buyers and even high-ticket commissions!

But it wasn't always like this...

**I Blew Away \$100,000 Trying To
“Earn Money Online.”**

I wasted years trying every internet marketing method on the planet, which got me in debt of over \$100,000.

I tried opening a Shopify store.

I tried Amazon.

I tried any eCommerce business I could.

It took months of figuring out what to do, where to source products, what to do when people wanted their money back, and too many other headaches to mention.

It was WAAAAY too much work for the money that trickled in.

I dabbled in Bitcoin and other cryptocurrencies, which tied up what

little money I had.

I ended up losing some money.

I kept racking up credit card debt, thinking the next course would help me.

I Knew People Were Making Big Money Online, But I Couldn't Figure It Out.

Frustrated, I didn't know where to go from there to make money.

I was about to give up and find a real job.

Fortunately, in 2015, I stumbled upon some affiliate marketing gurus I recognized on YouTube.

They were promoting an event in Malaysia relating to “product creation” & “product launching.”

I am not authorized to reveal who they are, but these guys were at the industry's top and still put out bestselling products.

At this high-level seminar, they were going to reveal their secrets and formulas for creating highly successful digital products.

These top-level marketers knew what they were doing, and I wanted

that knowledge so that I could earn “7-figure” money.

Using the last bit of credit on my card, I decided to get into more debt and go for it.

I booked a plane ticket, a hotel, and a ticket to the event.

It was a 23-hour trip, but I finally got to Kuala Lumpur and my hotel.

I don't want to sound cliché, but this event changed my life.

I got a fantastic peek behind the curtain and saw how the big dogs are making millions online.

I finally had my hands on a real genuine system that could make me

money...

Not just today or tomorrow...

But for years to come.

I Had An Incredible Epiphany!

The live seminar was a huge awakening for me.

I discovered that digital product creation and launching are how the “gurus” make their money.

The guys who put on the event were transparent and honest about what they do to make massive amounts of cash daily.

I was amazed by the possibility of creating and launching digital products of my own.

They showed me how to make digital products that sell...

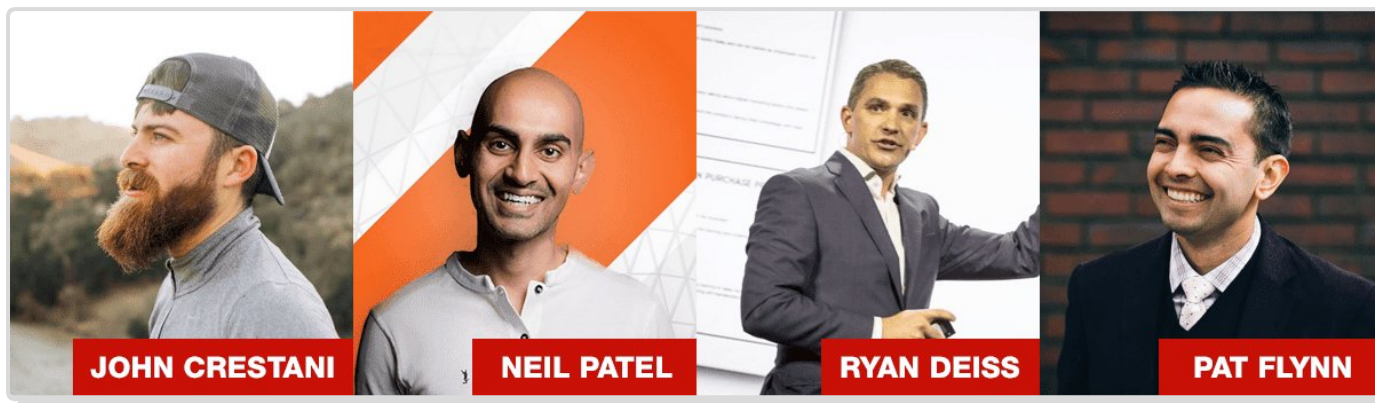

And then get other people (affiliates) to do all the selling for me!

This information was the game-changer I needed, and I was ready to fly back to London to create my first digital product.

You see...

The Big Guys & Guru's You

Constantly See Online, Create And Launch Digital Products...Continuously!

Name anyone in this industry, Ryan Deiss, Neil Patel, Pat Flynn, John Crestani, and all the rest.

The key to their success is creating new and better products, good products that add value.

These Super-affiliates have one thing in common...

They all create and promote their own digital products.

In fact, they have multiple digital products online, making them money 24/7, 365.

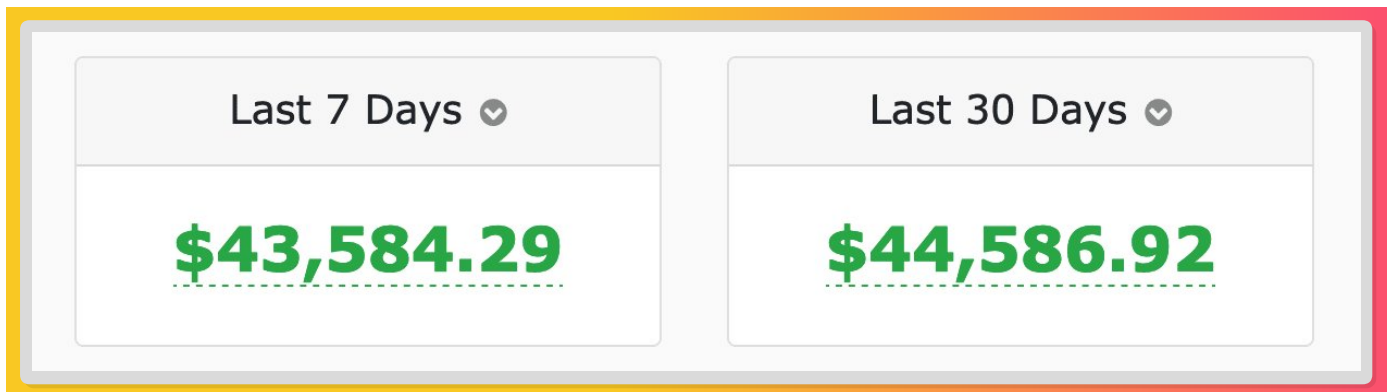

The more products they create, the more money they make. It's as simple as that.

I came home jet-lagged but incredibly inspired.

It took me about twelve days to digest the information and create my first digital product.

When I launched this product...

My Very First Product Made Over \$43,000 In 7 Days!

I was over the moon!

Once you've got products online, they are digital assets for life!

They make money forever... like real estate.

The money never stops when you have digital products online!

It paid for my trip and a big chunk of my credit card debt.

I then went on to create another product...

I Made Twice As Much The Second Time!

My second digital product made \$86,000 in revenue!

I was learning fast.

Then on my third attempt...

I hit my first six figures in revenue...

\$102,823.97 In ONE WEEK!

I just kept going, creating new and better digital products.

The more products I have online, the more money I make...

It's as simple as that.

Since my early success, I've made over \$10 million with all the digital products I've created using the **Ai 100K Launch Pad**.

Anyone can succeed like this because it's all automated and done for you!

The Ai 100K Launch Pad Is The Perfect Home-Based Business For Newbies

To be successful online, you need to build an email list.

It's a list of people interested in what you have to offer.

There is no faster way to build a list than with digital products.

The more products you have online, the faster your list grows and the more successful you can be.

When you sell your own digital products online, you build what is called a "buyers list".

With this list of buyers, you can email them daily recommending other products and services as an affiliate.

This is one the key strategies I've used, alongside product creation, which has enabled me to earn well over \$100,000 every month for the past 7 years.

Ilker Koksal Contributor @ Enterprise Tech

Online learning has shown significant growth over the last decade, as the internet and education combine to provide people with the opportunity to gain new skills. Since the COVID-19 outbreak, online learning has become more centric in people's lives. The pandemic has forced schools, universities, and companies to remote working and this booms the usage of online learning. Even before the pandemic, Research and Markets forecasts the online education market as \$350 Billion by 2025, so the numbers might be updated after analyzing the growth impacts of COVID-19 on the online learning market.

There is no reason you can't have the same level of success when you purchase your **Ai 100K Launch Pad** license!

It's Finally Time For You To Make Money Online... Not Lose It!

It's an unfortunate truth...

There are loads of products that just don't deliver.

Have you bought a course or system and discovered you need to spend more money to get the missing piece of the puzzle?

Scammers do it all the time.

It happened to me...twice!

Early in my online journey, I bought a course, plus two recommended upsells.

When that didn't work, I bought another system I was sure would make me money.

Well...I spent years and over \$100,000 but hardly earned my money back.

I was frustrated, tired, broke...

And ready to give it all up and get a REAL job...

Fortunately, I went to that summit with all the top affiliate gurus...

That completely changed the game for me...

I FINALLY discovered a way to earn massive online commissions and passive income!

Before You Invest The First \$1, Make Sure You're Buying A Proven Money-Making Machine!

Before offering this system to anyone, I needed to prove it to myself.

I made a couple of digital products and started selling them.

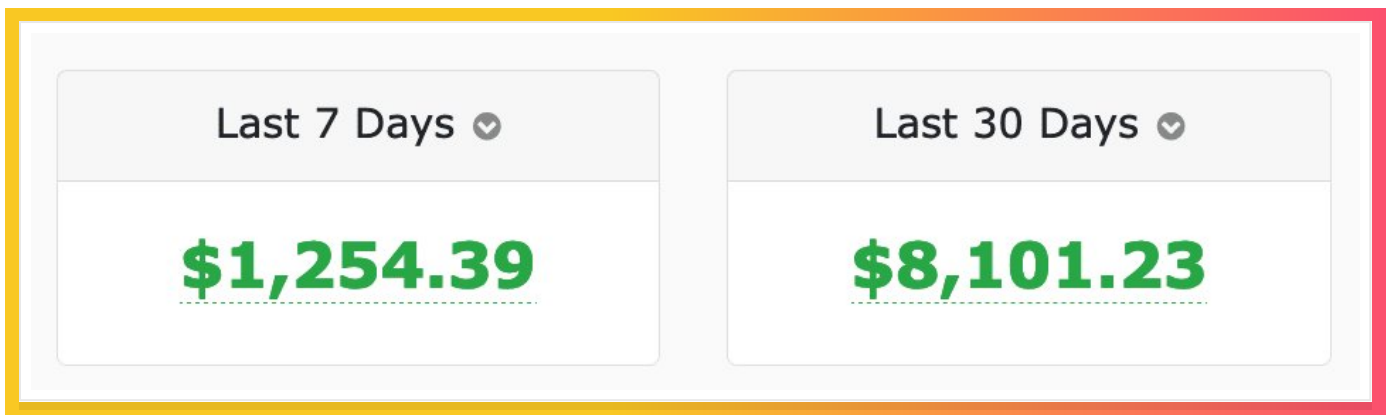

Here are my latest results:

Then, I let a complete newbie give it a go.

Here is what Dave did with his first digital product in just two weeks...

Dave has zero experience in making money online prior to creating his first product...

Now, we sit back and watch the sales numbers.

It's a relief knowing we have money coming in for work we did months ago!

Grab Your Commission License Before It Disappears

This is the lowest price we're ever going to offer.

The price to join us will steadily increase...

So you really don't want to miss out!

In fact, after the initial launch period, the price will be at least \$97.

Yes, it's still hundreds lower than it's worth.

But why wait?

Do You Know The BEST Part Of The Ai 100K Launch Pad?

You don't need to know how it works.

You just follow my simple 3-step process using a few mouse clicks.

Think how good you'll feel and what it's like to make money while...

- ✓ **On vacation**
- ✓ **Watching your kids doing their school activities**
- ✓ **Doing your hobbies, or...**
- ✓ **Doing nothing at all!**

Digital assets keep working, generating passive income for years to come!

We're Making Money Whether We Sleep, Work, Or Watch TV!

Imagine creating a digital product with no effort, setting this up "ONCE," and getting paid while enjoying your life.

Once you create your digital assets, they work for you all day, every day...

The Ai 100K Launch Pad is a RELIABLE income stream that never stops working for us.

No matter what I'm doing or where I am, my digital assets generate commissions 24/7/365.

I'm Glynn Kosky,

Seven years ago, I started just like you. I aimed to make money online, a passive income that would keep flowing like a spring.

It took me a lot of time, money, blood, sweat, and tears.

Well, mainly money.

With persistence and help from others, I became a super-affiliate and learned the secrets of other super-affiliates.

Now it's your turn...

I'm On A Mission To Help A Handful Of Dedicated People Who Have The Same Dream I Have, To Generate 5-Figures Every Month.

The truth is most of my licensees have little experience creating an online business.

They have no experience in selling...

And don't even know what affiliate marketing is!

With the Ai 100K Launch Pad, they don't have to.

The system is ready to run like a race car idling on the starting

line, waiting for the driver.

Please don't wait.

This offer will disappear without warning...

When You Join The Ai 100K Launch Pad Today... You're Getting A MASSIVE DISCOUNT!

Normally, this is the kind of system we only share with our inner circle.

And when we do, it's to people that have invested upwards of \$15,000 or more...

We have decided to share our Ai 100K Launch Pad with you for a short time.

That means, if you are seeing this page, then you can get this for a massive discount.

You won't pay \$15,000...

You won't pay \$5,000...

You won't even pay \$100...

Your investment today is \$17 (If you get in before the price increases!)

**There Are Two Ways This Could
Go If You License The Ai 100K
Launch Pad Today.**

**#1 - It Works Exactly As We Say
That It Does**

We have an excellent reputation for developing the highest quality products and systems today.

So if we release it, you can bet it works as it should!

And let me say this...

I have been making a lot of money with this system for years!

OR...

#2 - It Doesn't Work As We Say It Does.

This scenario is highly unlikely...

Why?

The **Ai 100K Launch Pad** is new and has almost no competition.

If you can't make a profit with this, you're probably not cut out for this industry.

But here's the thing...

I'm Making You A Risk-Free Offer!

So I am giving you a full 180-day no questions asked money-back guarantee when you get your license today.

**If #2 Happens... You Will Get
EVERY PENNY BACK!!**

We strongly believe you will succeed with this, but we want to ensure that there is ZERO RISK with your investment.

If, for any reason, you want a refund in your first 180 days, simply send us a direct email, and I'll personally guarantee a prompt and full refund to you within 24 hours.

So all the risk is on me to over-deliver when you get inside the **Ai 100K Launch Pad**, right?

What's Your Real Risk?

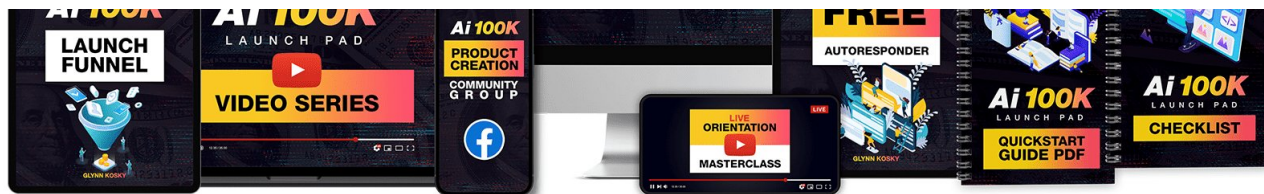

The only risk is that you'll completely miss out on the opportunity to build a digital empire that creates long-term passive income, as it does for me.

If you don't take action immediately, you'll never get to know what it feels like to not worry about the small things in life...

Also... you'll miss some fantastic bonuses that will help you gain success faster and higher.

I Love Receiving Kind Messages From Grateful Partners

Do me a favor,

When this system starts working for you, please drop me a line and tell me how it changed your life.

Please send me a picture of you on your dream cruise around the world, the new car or vacation home you bought.

It will mean a lot to me.

I get messages like, "I made my first real income from the internet today!" and "Glynn, thanks to you, I'm debt-free! Thank you so much!"

It validates why I'm doing this and that the **Ai 100K Launch Pad** works

for anyone willing to follow instructions and try.

Click below to get your license. I look forward to succeeding with you!

Sincerely,

Glynn Kosky

P.S. This offer is only for a limited time until I've filled the quota.
Act now or miss the income opportunity you've always wanted.

Do You Still Have Questions?

That's OK. I want a partner who asks questions and keeps me on my toes. Here are some FAQs I get from new partners.

❓ How much does the system cost, and do I need to buy anything else?

Getting your license to use the **Ai 100K Launch Pad** will cost you a one-time investment of \$17 during the launch period.

It has everything you need to start getting results from day one.

There is nothing else to buy.

❓ How Easy Is the System to Use?

The system does 99.9% of everything for you. We've incorporated drag-and-drop technology. If you can type a sentence and drag an image in a Word document, that's all the technical skills you need.

❓ I don't know anything about affiliate or internet marketing. Can I do this?

Yes, you can! I've made the Ai 100K Launch Pad capable of running itself. We use this to earn commissions all hours of the day.

I developed this incredible software & system so new internet marketers could clone exactly what I'm doing to create digital products, without experience, technical skills, or previous knowledge.

❓ How do I make money?

Once you're on the inside, I'll show you how to create your first highly profitable digital product. From there I'll show you how to launch this

product online to get sales and build an email list. I'll also show you how to generate commissions through affiliate marketing and even make high ticket sales! There's A LOT MORE under the hood... Join us now!
